No 193 & 29 6 08

Submits an application from Syed Mustafa, Unani Hakeem, Indigenous Hospital, Mysore, praying for the increase of pay and charge allowance being given to him for being in charge of the Unani Dispensary and states that the Board have resolved to increase his pay from Rs 35/- to Rs 40/- per month and to give him Rs 15/- per month as charge allowance similar to the one now granted to the Pandit in charge of the Native Dispensary as the Hakeem is said to have been working satisfactorily and brought the Unani Dispensary to a better state of usefulness, that Mr E S Krishnaswamy Iyer Civil Surgeon & Dist Officer, Mysore District who is in charge of the Disp^y has also made a very favourable report about the Hakeem's work and requests that under the circumstances Govt may be pleased to sanction the increase of pay and allowance as recommended by the Municipal Council with effect from 1st July 1908 the excess charge being met by a reappropriation of funds in the current years budget estimates of the Mysore City Municipal Council

The Indigenous Hospital at Mysore was established under G.O. No 1572-5/LH 79-92 & 28th July 1892 It was therein ordered:-

The petitioner, Syed Mustafa, was appointed as Hakim of the Indigenous Hospl on a salary of Rs 25/- per month
U as per GO No 5262-4/LF 79-92 8 13-10 00
Subsequently his pay was raised to Rs
V 25-$\frac{5}{2}$-30 vide GO. No 1635-6/LF 79-92 8 26 7 02

The Munpl Board subsequently recommended that the Hakim who was very popular and working satisfactorily might be given an increase of Rs 10/- his pay But in GO No 14638-98 31-3 an increment of only Rs 5/- to his pay was sanctioned and
W his pay was raised to Rs 35/- per month

The President's proposals, if sanctioned, would involve an extra expenditure of Rs 60/- per annum to be borne by the Mysore City Munpl funds and L F Govt in the proportion of 1/3 to 2/3, and (2) Rs 180/- to be met from the Medical budget

It is a question for consideration whether the charge allowance now being given to the Pandit can also be given to the Hakim. If so an additional sum of Rs 180/- will have to be provided in the Medical budget Br II & the Senior Surgeon will have to be in

The Board considers the Hakim deserving of his pay being increased by Rs 5 and made Rs 40 This may perhaps be sanctioned

As regards the allowance recommended, it will be seen from the G O referred to in the note above that Mr Kemparama Pandit was granted an allowance of Rs 15 p m after the death of Mr Rangaswamy Pillai to be in charge of the Indigenous Hospital - It was explained by the Senior Surgeon that the charge devolved much additional work on the Pandit and therefore the allowance was sanctioned The case of the Hakim bears no similarity to that of the Pandit and there are no grounds on which an allowance similar to that granted to the Pandit may be sanctioned to the Hakim -

The Services of the members of the Indigenous Hospital is therefore not qualifying for pension, tho' what they receive monthly may be reckoned as pay, as there is a regular Scale of Establishment fixed for the institution.

Even the leave regulations have not apparently been extended to these employees but for purposes of working an institution like this Hospital, some leave rules are necessary and the Hospital Staff may be entitled to

As regards the present petition, if any increase be given, it would be well to give it in the form of an allowance in lieu of raising the pay of the post by Rs 5/-

The recommendation for the grant of a "charge allowance" of Rs 15 to the Station is not favourably considered by the administrative department itself.

THE DEWAN OF MYSORE

May it Please Your Excellency,

The undersigned, the Hakeem of the indegenous City Hospital, most respectfully begs to state the following for Your Excellency's kind consideration

The petitioner's fore-fathers had been in Military service from the time of His Highness Tippu Sultan, till very recently They not only rendered a creditable service as military servants but also won esteem as Hakeems

As the petitioner had not been interested in the military service but had a keen desire in the art of medicine, he took to it and was for a time a successful hakim

In course of time the profession failed and the prestige of his fore-fathers could not be maintained So he was obliged to change his residence for Hydrabad

A petition was presented to Her Highness the Maharani Regent for a recommendatory note, the effect of which was a kind grant of a service of Rs 20 and also a certificate in recognition of his ability as a Hakeem An increment of Rs 10 was also granted on 1-5-1903

As he is a man of a very large family, he finds it extremely difficult to support it with this scanty pay In addition to this his income to the family has been greatly cut down owing to his father s retirement from the service of a Commander-in Infantry two months ago He begs to state further that he has been working energetically and with great euthusiasm since his entertainment into service and that he has brought the Hospital to an efficent condition so much so that the number of out-patients attending the Hospital has been substantially increased

As his pay is too small, he is not in a position to give a high education to his children and to support his large family with dignity Consequently he most earnestly solicits that Your Excellency will take all the above mentioned circumstances into your kind consideration and place him in the same grade as Mr Kamparama Pandit and grant an allowance of Rs 15 from the fund out of which Mr Kamparama Pandit is being granted

Begging to be pardoned for the trouble,

He remains,

HER HIGHNESS THE MAHARANI
SRI VANI VILAS SANNIDHANA, C I,
MAHARANI REGENT OF MYSORE

MAY IT PLEASE YOUR HIGHNESS,

The humble Petition of Syed Mustafa, Unani Physician, son of syed Ahmad Commandant of the Bar Infantry, now stationed at Mysore most respectfully sheweth

That your Highness' humble Petitioner is a member of one of the noblest and most loyal families in Mysore, whose ancestors have rendered devoted service to the State during the time of the late Tippu Sultan and afterwards, which is borne out by the fact, that the fore father of the Petitioner Syed Hameed held the office of Commander in Chief in Tippu Sultan's time His son Syed Murtuza was Military Bakshi to His Highness the late Maharajah Sri Krishnaraj Wodayer Bahadur His son Syed Isakh the Petitioners grand father held the responsible and honorable post of Military Bakshi in the days of the Mysore Commission The Petitioner's uncles Syed Salar and Syed Budan have held similar positions in the Mysore Durbar Lastly the Petitioner's father is now the Commandant of an Infantry Regiment at Mysore

Your Highness humble Petitioner unlike his ancestors devoted himself to the study of the Unani system of the Medical art in all its sublime intricacies by deligent and Patient labour for years and has been using his acquirements under God's mercy, for the relief of the Poor and suffering humanity But as the Practitioners of this system of the healing art are not supported by the State, their sphere of usefulness to the people and their chances of earning competence are too limited to be described Hence your humdle Petitioner hopes to find a congenial field for his practice in the State of Hyderabad and begs most respectfully that your Highness may be graciously pleased to grant him a certificate of his social position and honoured anoestry so that it may Prove a sufficient credential for him to find access to the respectable society there He most humbly begs to stat that his future depends entirely on this

That such certificates were granted in former days is evident by the fact that one Syed Khadas Pasha Shuttary was graciously granted a similar certificate by His Highness the late Maharajah Sri Chamarajendra Wodayar Bahadur

deeply lamented and dearly beloved noble consort of your gracious Highness

The Petitioner most respectfully makes this appeal to your Highness in the firmest belief that so noble, generous and benevolent a mother will not deny such a boon to her humblest subject who wishes to work humdly and cheerfully in a noble Profession

To which act of graciousness and charity the Petitioner will with everlasting gratitude pray to God for the long life and everlasting happiness of the Royal Family of Mysore

He begs to remain
Your Highness' most obedient,
grateful and loyal servant,

PRIVATE SECRETARY TO H H MAHARANI-REGENT,
MYSORE

This is to certify that under the orders of Her Highness the Maharani-Regent of Mysore, the statements made in the above petition by Syed Mastaffa, Unani Physician, as to his social position and ancestors, have been verified
